First Lutheran Church of San Marcos (FLC) is accepting entries for an art exhibit to be displayed as part of the 2018 Mermaid Society SMTX SPLASH, which is a celebration of “All Things San Marcos” focused on arts and culture. The SPLASH runs from September 8th through the 22nd. For more information about SPLASH, see <http://www.mermaidsocietysmtx.com> or search Mermaid SMTX on Facebook.

Exhibit Theme: theme for the show is “Dry Bones and New Flesh”, which originated with the Hebrew Bible’s record of the Prophet Ezekiel’s vision, found in Ezekiel 37. Our approach to the theme will be an expansive one rather than exclusive to that narrative. (see “nature of works” below) For more on Ezekiel’s vision and how it is used in Christian faith, see www.flcsm.org/ezekiel .

Nature of works and FLC approach to arts ministry: We believe that art inherently reflects God’s presence in creation. Because all creation is of God, submissions need not be traditionally ‘religious’ or have a specific scriptural reference. We seek any images that seek to explore the themes of death and rebirth. For more about our vision for how art and ministry are connected, visit <http://flcsm.org/arts-ministry/>
